

SHOP FOREMAN / ASSISTANT SERVICE MANAGER

Valley Equipment Co. (a division of Winchester Equipment Co.) is hiring a Shop Foreman / Assistant Service Manager to help lead day-to-day shop operations and support a high-performing service team. If you're a hands-on leader who values safety, quality, and efficiency, we'd love to meet you.

What You'll Do

- Support the Service Manager with scheduling, workflow planning, and labor efficiency tracking
- Lead, support, and mentor a team of technicians to ensure safe, efficient, high-quality repairs
- Diagnose complex mechanical, electrical, and hydraulic issues; assist technicians as needed
- Perform and verify quality-control checks on completed work
- Help resolve customer concerns related to service repairs

What We're Looking For

- Proven experience leading a service department or managing a technical team
- Strong organization and problem-solving skills; able to prioritize in a fast-paced environment
- Excellent customer service and communication skills
- Comfortable with computer systems and service management software
- 5+ years technician experience in agricultural, construction, or heavy equipment service
- Ability to lift up to 75 lbs.

Benefits

Health, Dental & Life Insurance • 401(k) with company match • Profit sharing • PTO/paid holidays • Boot allowance • Training & development
