

Service Technician - Winchester, VA

Winchester Equipment Company, is seeking a skilled Service Technician / Heavy Equipment Mechanic to join our growing team in Winchester, Virginia. We sell, rent, and service industry-leading Kubota agricultural, Bobcat compact equipment, Toyota Material Handling and Stihl outdoor power equipment, along with various top-of-the-line equipment used in commercial, residential, and agricultural projects.

Position Overview

As a Service Technician, you'll perform diagnostic, maintenance, and repair work on compact equipment including skid steers, compact track loaders, excavators, and tractors. This hands-on role is perfect for someone with strong mechanical and troubleshooting skills who takes pride in high-quality workmanship and enjoys working in a fast-paced, team-focused environment.

Key Responsibilities

- Diagnose, troubleshoot, and repair Bobcat and other compact construction equipment
- Perform scheduled maintenance, hydraulic and electrical repairs, and component replacements
- Maintain shop tools and equipment in safe working condition
- Accurately complete service reports and communicate repair needs to service advisors and customers

Qualifications

- 2–4 years of experience as a Service Technician, Diesel Mechanic, or Heavy Equipment Mechanic (Bobcat, Kubota, Caterpillar, John Deere, or similar brands preferred)
- Technical or vocational training in diesel, mechanical, or heavy equipment repair a plus
- Ability to lift up to 75 lbs. and work safely in a shop or field service environment
- Must have a basic set of personal tools
- Strong diagnostic and problem-solving skills with attention to detail

Why Join Us

- Competitive hourly pay based on experience
- Comprehensive benefits package including:
 - Health, Dental, and Life Insurance
 - 401(k) with Company Match
 - Profit Sharing Plan
 - Paid Time Off (PTO) and Paid Holidays
 - Boot Allowance and Ongoing Training
